Chessie Kay loves spending time in the kitchen, but she confessed to us that she's not all that good when it comes to cooking! "Preparing a roast dinner scares the life out of me, but I am pretty good when it comes to using the toaster and the microwave! And why do I need to be good at cooking meat when I'm perfectly good at position a rock hard peace of sausage between my legs and squeezing all of that juice from the balls bangling below out! If they dished out Michelin Stars for fucking, I'd be the Gordon Ramsey of porn!!!"

The eagle-eyed amongst you (you haven't gone blind yet, have you?) will notice Kloe's changed her name since she was appearing as a regular in Escort magazine back in the day. "Too many people recognised me in my hometown! It was nice for a while having a queue of blokes reckoning I was a star and offering to give me foot rubs, tit fondles and pussy lickings. But I've got enough to be getting on with now fellas!"

"Are you a tits or bum man?" Quizzes Kimberly. "When I ask a guy that question and they say 'bum' I let them stick their dick between my tits and I give them the tit-wank of their lives. And if they say 'tits' I hoist up my skirt and grind my naked bum over their crotch until they're hard enough to enter my arse hole." We think it's safe to say that we'd happily partake in either of those activities Kimberly!

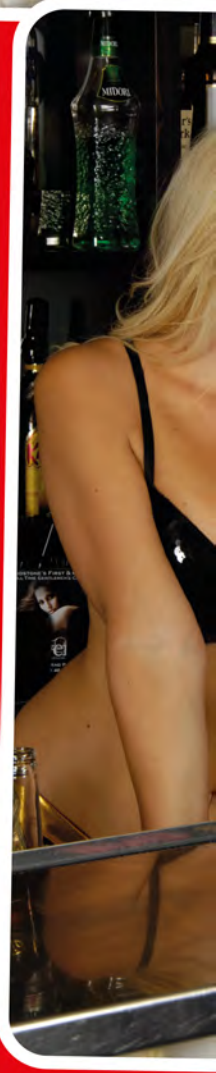
SMIRNOFF



Now this is the kind of lock-in we can really get into. No stinking alcoholics with no homes to go to, no braying rugger buggers, just two large-breasted bar staff unwinding after a hard night – and us, with a camera. "I love my work and flirting with the public," smiles Cany. "But I can't wait for them to go so I can get down to some serious business with Frankie's pussy!"

NICKY O

Most men hate it when they're sent up into the loft ton deal with a leaking roof or get some old boxes of useless crap down, but Nicky O's fella gets summoned into the rafters for much more exciting things! "I love pulling the ladder down and heading into the roof, especially in the summer when it's nice and hot up there. It's my own little paradise for fucking. Anything goes when we're up there, I don't even mind having by back covered in splinters!"

The girls (and women!) in this month's issue of Razzle seem far too reliant upon getting themselves off on their dildos and Brenda is no exception. "Despite my mature standing I'm still a horny middle-aged woman with needs. And I'm getting bored of having to buy batteries on a weekly basis to keep my toys working. What I'd love to do is replace all of my toys with one really hard cock that won't run out of steam, it's just so difficult to find a man these days. I don't want any kind of commitment, just a fuck buddy to have some fun with!"

"Age shouldn't be a barrier when it comes to having sex!" 49-year-old Betsy told with a big grin on her face! "I'm having more sex now than I've ever had and after years of experimenting with my husband the sex just keeps getting better and better. It helps that the kids have grown up and moved out. We can fuck whenever we want and wherever we want in the house. And on a nice hot summer day I love fucking outside on the lawn. But my favourite is fucking outside when it's raining!"

We love getting newbies in Razzle. It's our job to find fresh new faces, virgin pussies and pert tits for you to have an epic wank over, and we're sure you'll agree that in Sophie we found a real diamond when she first appeared in Razzle, and now she's back for more! "I'm so excited to be back in your magazine and I love getting my make-up done so that I can look my very best for your readers, I even let your make-up artist shave my pussy like last time, leaving just a hint of public hair. I almost came on a few occasions when the razor glided over my fanny!"

OK, so we know that this set of Dani Maye might be a bit old but that doesn't mean that we shouldn't deny you the delights of it! And what did Dani think when we pinged her over a copy of the photos! "Wow I'm so young, and obviously my boobs were a lot smaller back then. This must have been one of my first ever photo shoots, I honestly can't remember doing it. It makes me realise now how many times I must have been naked in front of the camera!"
